Kenwood Health & Rehabilitation Center Named Best of Kentucky in Nursing and Rehabilitation for the Sixth Consecutive Year

Local, Senior Living Community Wins Prestigious Statewide Award

Richmond, Ky. – On Thursday, November 21, the Kentucky Association of Health Care Facilities/Kentucky Center for Assisted Living/Kentucky Senior Living Association (KAHCF/KCAL/KSLA) recognized the top long-term care facilities in Kentucky at their quality awards banquet with the 2024 Best of Kentucky award. Kenwood Health & Rehabilitation Center was honored to be a part of this elite group of leaders in the industry.

To be considered as “Best of Kentucky” in nursing and rehabilitation, the facility must have a CMS star rating of four or higher and meet other quality benchmarks. The recognition celebrates top-performing long-term care providers across the state for their excellence in nursing and rehabilitation. On average, 20-30 facilities are recognized as “Best of Kentucky” each year, from a total of 270 nursing and rehabilitation centers.

“It is such a privilege to be awarded this prestigious honor for the sixth consecutive year,” said Bethany “Hope” Smith, Administrator of Kenwood Nursing & Rehabilitation. “Our team truly goes above and beyond for the residents and families daily. It truly warms my heart to see the compassion, determination, and relentless pursuit of excellent resident care

recognized by such esteemed leaders. I am proud of our team and honored to be a part of it!”
